

## LiveScan Provider Listing

Provides fingerprinting services for applicants requested to electronically transmit their fingerprints for licensure and/or employment purposes.

Please note that the information provided within this document includes a list of **Livescan Service Providers** who have voluntarily chosen to have their device (equipment) and electronic fingerprint data submissions evaluated by the Florida Department of Law Enforcement (FDLE) to verify compliance with the regulations and standards of both FDLE and Federal Bureau of Investigation (FBI).

Inclusion in this list is NOT an endorsement or recommendation of one product or business over another and DOES NOT imply any rating, ranking, or 'certification' of the products or businesses themselves. This list is offered for informational purposes only to indicate that technical specifications for electronic submission of fingerprints to FDLE have been satisfied. The listing of these particular products or businesses should not be interpreted to mean that they have been approved by FDLE to the exclusion of any other products or businesses.

**LIST OF APPLICANTS LIVESCAN VENDORS  
AND SERVICE PROVIDERS WHO HAVE  
ESTABLISHED SUBMISSION APPROVAL FROM FDLE**

**Applicant type fingerprint cards may be submitted electronically to the FDLE *for the purpose of conducting a criminal history check*. IF the licensing or employing agency has agreed and made prior arrangements to receive electronic results from FDLE.**

- If the licensing or employing agency has established a system to receive the electronic results, the applicant will be given instructions (*from the agency*) as to where to go and how to have the fingerprints taken and submitted from a livescan device.
- If an applicant wishes to submit fingerprints electronically but the agency did not give instructions, please contact that agency and request that the agency contact FDLE and make arrangements to receive electronic results. Individual applicants cannot be accommodated without the agency's involvement.
- To verify the status of a Civil Workflow Control System (CWCS) transaction, the respective Transaction Control Number (TCN) may be entered in the *Civil Workflow Control System Transaction Status Search* website: <https://cchinet.fdle.state.fl.us/search/app/tcnlookup?8>

**Licensing or employing agencies may purchase Livescan devices or may contact Livescan Service Providers to enable their applicants to electronically submit criminal history record check requests on their behalf.**

- Listed below are those service providers who have been qualified to submit electronically to FDLE.
- Livescan Service Providers not listed may request approval of their product or service by contacting FDLE at (850) 410-8161.

**Information about verifying the identity of an individual and rolling quality fingerprints is available from the Federal Bureau of Investigation's (FBI) website:**

- Within the *Identity Verification Program Guide*, the National Crime Prevention and Privacy Compact Council provides instructions for verifying a person's identity which is crucial to the value of conducting a criminal history record check: <https://www.fbi.gov/file-repository/identity-verification-program-guide-single-page.pdf/view>.

- The FBI's Criminal Justice Information Services Division provides information on recording legible fingerprints which may be useful in training persons who will be rolling prints for submission on inked fingerprint cards or through livescan systems:  
<https://www.fbi.gov/services/cjis/fingerprints-and-other-biometrics/recording-legible-fingerprints>
